

Cookie Policy

Please read this information carefully.

Use of this website is confirmation that you have understood and are bound by all of these terms and conditions.

Secure server

We use a secure server for the entry and transmission of all data considered to be: PRIVATE DATA.

Registration

All registration information is entered via a secure server. During the course of registering on our website users are required to enter a certain level of personal information with regards the data collected during this process to be: PRIVATE DATA.

Cookies

Auto login cookie - Optional, for when a user requests that the login form 'remembers' their login details, used for no other purpose.

Quote reference cookie - Optional, this cookie stores your quote reference; allowing you to proceed directly to our application form without needing to re-key cover information, used for no other purpose.

Google Analytics - Collects information about how visitors use the Site, which website the user came from, the number of each user's visits and how long a user stays on the Site.

Session Information

We keep and review session history information. We use session information to keep a record of pages viewed and quotes generated. After monthly analysis (to see popular pages, site exits etc.) we delete session history information. Once a session has ended there is no way of identifying a user to a particular session. Sessions automatically expire after 2 hours.

Credit Card Payments

We use a third-party payment provider to collect credit card details, this server allows you to enter your details for a specific transaction and be safe in the knowledge that we can neither view nor store this information. This process uses a secure server.

Transmission of data

We use SSL Certificates to ensure privacy during transmission of data. At no point during and after processing are details stored in clear format.

Refunds Policy

Refunds will be given at the discretion of the Company Management.

Disclaimer
